

SNOW GEAR

Dear Families,

Winter is here and the snow has followed! Children will be going outside for recess daily unless weather conditions do not permit. Each child will need appropriate clothing for the weather (snowpants, boots, mittens/gloves, hats, etc.) To make things easier for everyone, please fill out and return the form below to us as soon as possible. This will ensure that your child has the gear that they need at both home and school.

Thank you!

Megan McQuillan and Ann Reece

.....

Please return to school as soon as possible.
